

# ASSESSCLOUD QUICK START GUIDE

## How do I view classroom & individual student results after a test in Focal Point?

- As soon as students complete their assessment, teachers have real-time access to view performance results. These results show 'live' in the system on the 'Assessment' page. Teachers and students can also click on the 'performance reports' tab to get a quick view of performance at the standard and item level.

The screenshot shows the 'ASSESSMENT' and 'PERFORMANCE REPORT' tabs. The main heading is 'My Class Quiz'. Below this, there are fields for 'Start Date: 08/07/2023' and 'Due Date: 12/31/2023'.
