

Sharing Badges on Social Media

Goal - Learners will be able to share their awarded badges to their social media accounts

- 1 After logging into FocalPoint, select Backpack.

- 2 On the 'My Backpack' screen, select the 'Share' icon.

- This will give the learner the option to share their entire Backpack to Twitter, Facebook, or LinkedIn.

- 3 To share a specific badge, learners should select the more options icon for the badge, then select 'Details'.

- 4 At the bottom of the badge details popup, click 'Share'. This will show the links to share the badge on Twitter, Facebook, and LinkedIn.

Sharing Badges on Social Media

- 5** Another option to share a specific badge is by clicking on the badge's QR Code. On the bottom left, learners will see the options to 'Share on LinkedIn', 'Share on Facebook', and 'Share on Twitter'.
